### Visit to Bandar Sri Sendayan

## **KEY INVESTMENT HIGHLIGHTS**

- Visit to Bandar Sri Sendayan in Seremban
- An established township in Seremban
- Affordable landed properties
- MVV land to spur long term growth
- Earnings forecast maintained
- Maintain BUY with unchanged TP of RM1.86

We visited Matrix Concepts Holdings Berhad ("Matrix Concepts") Bandar Sri Sendayan township in Seremban. We came away the visit feeling positive on the prospect of the township and new sales prospect of Matrix Concepts. Key takeaways from the visit as below:

**An established township in Seremban.** Bandar Sri Sendayan is a selfsustaining township with size of 13,287 acres. More than 7,000 acres has been completed under the township while there are 6,172 acres for ongoing and future developments. Bandar Seri Sendayan has developed into a matured township complete with primary schools, secondary school and commercial areas to cater to needs of its residents. The township also has Matrix Global Schools which comprise of Matrix Private School, Matrix International School and Matrix International Preschool located in one campus. Besides, the township also has d'Tempat Country Club which caters to needs of residents and guests for leisure, sporting and dining facilities.

**Affordable landed properties**. The township is mainly offering landed house amid strong demand from property buyers in Klang Valley. Selling prices of landed properties in Bandar Sri Sendayan remains affordable compared to high prices of landed properties in Klang Valley. New launch of intermediate double-storey house with layout of 20' x 70' at Izara @ Bayu Sutera is selling from RM600k which is around half of the price for landed properties in KL. With strong demand for properties in Bandar Sri Sendayan, population has grown to estimated 50k to 60k.

**MVV land to spur long term growth.** Matrix Concepts is on expansion mode as it is the midst of acquiring 1382 acres of land located within the Malaysia Vision Valley (MVV) corridor. The land acquisition is expected to complete in FY24 while first project launch is anticipated in FY26. The MVV land is located near to Bandar Sri Sendayan which we see Matrix Concepts would be able to replicate the success of Bandar Sri Sendayan at MVV land. Meanwhile, the upcoming projects at MVV land will be running parallel with Bandar Sri Sendayan and hence spur earnings growth further from FY26 onwards.
