#### **No Contemplation**

#### **KEY INVESTMENT HIGHLIGHTS**

- YTL Power acquires controlling stake in Ranhill
- Triggers Mandatory Takeover Offer for remaining shareholders in Ranhill
- · Minorities unlikely to be attracted to take up offer
- TP maintained at RM1.07 but downgrade to SELL given stretched valuations

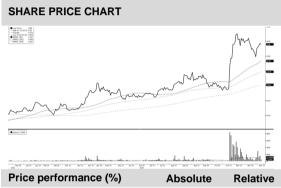

What's new? Yesterday, YTL Power (YTLP) through 70%-owned subsidiary SIPP Power entered into an unconditional share purchase agreement with Ranhill Utilities' (Ranhill) largest shareholder, Tan Sri Hamdan (TSH) to acquire his 31.4% stake in Ranhill for a total cash consideration of RM405m, or effectively at RM0.995/share. Upon completion of the acquisition, SIPP Power's stake in Ranhill will increase from 2.9% to 34.3%, while YTLP's stake in Ranhill will ultimately increase from 21.8% to 53.2%. The acquisition by SIPP Power will trigger a Mandatory Takeover Offer (MTO) for the rest of Ranhill shares that it and YTLP does not already own, at the same cash offer price of RM0.995/share. SIPP Power's acquisition of TSH's 31.4% stake is expected to be completed in June, while the MTO is expected to be completed by 3QCY24. In addition, YTLP intends to maintain the listing status of Ranhill.

**Steep discount to market price.** The acquisition consideration for TSH's 31.4% stake at RM0.995/share is at a steep -37% discount to Ranhill's closing price the day prior of RM1.57 though we note that Ranhill's share price has been gaining significantly in the past month, ahead of the deal. From a valuation standpoint the deal values Ranhill at 21x FY25F PER, at a marginal premium to historical mean of 20x, which we believe is less than attractive for a transaction that gives YTLP control of Ranhill.

**Minorities unlikely to be attracted.** Broadly, the entry of a strong controlling shareholder in YTLP which operates in similar business segments as Ranhill is a positive and allows Ranhill to tap on YTLP's expertise in the water sector given the latter's strong track record in operating Wessex Water in the UK. However, the MTO price of RM0.995 is at a -7% discount to our SOP-derived fair value of RM1.07. We believe Ranhill's minorities are unlikely to be attracted to take the offer, while the inflated market price currently provides a more attractive avenue for minority investors looking to exit, subject to liquidity limitations.

**RM1.07**. However, we **downgrade** our call from NEUTRAL to **SELL** given inflated share price levels currently. Valuations are stretched at 29x FY25F PER, a steep 45% premium to historical mean of 20x, while dividend yield has compressed to an unattractive 2.5%.

#### **DISCLOSURES AND DISCLAIMER**

This report has been prepared by MIDF AMANAH INVESTMENT BANK BERHAD (197501002077 (23878 – X)) for distribution to and use by its clients to the extent permitted by applicable law or regulation.

Readers should be fully aware that this report is for information purposes only. The opinions contained in this report are based on information obtained or derived from sources that MIDF Investment believes are reliable at the time of publication. All information, opinions and estimates contained in this report are subject to change at any time without notice. Any update to this report will be solely at the discretion of MIDF Investment.

MIDF Investment makes no representation or warranty, expressed or implied, as to the accuracy, completeness or reliability of the information contained therein and it should not be relied upon as such. MIDF Investment and its affiliates and related BNM and each of their respective directors, officers, employees, connected parties, associates and agents (collectively, "Representatives") shall not be liable for any direct, indirect or consequential loess, loss of profits and/or damages arising from the use or reliance by anyone upon this report and/or further communications given in relation to this report.

This report is not, and should not at any time be construed as, an offer, invitation or solicitation to buy or sell any securities, investments or financial instruments. The price or value of such securities, investments or financial instruments may rise or fall. Further, the analyses contained herein are based on numerous assumptions. This report does not take into account the specific investment objectives, the financial situation, risk profile and the particular needs of any person who may receive or read this report. You should therefore independently evaluate the information contained in this report and seek financial, legal and other advice regarding the appropriateness of any transaction in securities, investments or financial instruments mentioned or the strategies discussed or recommended in this report.

The Representatives may have interest in any of the securities, investments or financial instruments and may provide services or products to any company and affiliates of such BNM mentioned herein and may benefit from the information herein.

This document may not be reproduced, copied, distributed or republished in whole or in part in any form or for any purpose without MIDF Investment's prior written consent. This report is not directed or intended for distribution to or use by any person or entity where such distribution or use would be contrary to any applicable law or regulation in any jurisdiction concerning the person or entity.

MIDF AMANAH INVESTMENT BAN	MIDF AMANAH INVESTMENT BANK: GUIDE TO RECOMMENDATIONS					
STOCK RECOMMENDATIONS						
BUY	Total return is expected to be >10% over the next 12 months.					
TRADING BUY	Stock price is expected to $rise$ by >10% within 3-months after a Trading Buy rating has been assigned due to positive newsflow.					
NEUTRAL	Total return is expected to be between -10% and +10% over the next 12 months.					
SELL	Total return is expected to be <-10% over the next 12 months.					
TRADING SELL	Stock price is expected to $fall$ by >10% within 3-months after a Trading Sell rating has been assigned due to negative newsflow.					
SECTOR RECOMMENDATIONS						
POSITIVE	The sector is expected to outperform the overall market over the next 12 months.					
NEUTRAL	The sector is to perform in line with the overall market over the next 12 months.					
NEGATIVE	The sector is expected to underperform the overall market over the next 12 months.
