### Weaker Earnings

### **KEY INVESTMENT HIGHLIGHTS**

- FY24 earnings below expectations
- Weaker earnings in FY24
- FY24 new sales at RM2.14b
- Shenton 101 proposal not accepted
- Earnings forecast revised downwards
- Maintain NEUTRAL with a revised TP of RM2.04

**FY24 earnings below expectations.** IOI Properties Group (IOIPG) FY24 core net profit of RM541.1m came below expectations as it made up 76% and 77% of our and consensus estimates respectively. The negative deviation was mainly due to the higher-than-expected depreciation charges and lower than expected margin in 4QFY24. IOIPG announced a dividend of 5sen per share which translates into a dividend yield of 2.6%.

**Weaker earnings in FY24.** Sequentially, 4QFY24 core net income plunged to RM23.6m (-89.3%qoq) as earnings in 3QFY24 were boosted by land sale. The lower earnings in 4QFY24 were also due to higher depreciation and amortisation charges which jumped to RM101m in 4QFY24 from RM19.9m in 3QFY24 mainly arising from Palm Garden Hotel. Besides, earnings were impacted by lower margin which saw core EBIT margin narrowed to 17.1% in 4QFY24 from 25.1% in 3QFY24. On yearly basis, 4QFY24 core net income was lower (-78%yoy), bringing FY24 full year core net earnings lower at RM541.1m (-15.5%yoy). The lower earnings were mainly due to lower contribution from property development segment which partly was dragged by weak property market condition in China. Nevertheless, the improved performance of property investment division partially cushioned the earnings decline as rental income from IOI City Mall Phase 2 was encouraging.

**FY24 new sales at RM2.14b.** IOIPG registered new sales of RM550m in 4QFY24, lower than new sales of RM789m in 3QFY24 as IOIPG booked in Johor land sales of RM211m in 3QFY24. That brought total new sales to RM2.14b in FY24. Local projects contributed to 90% to total new sales in FY24 while oversea projects in China and Singapore contributed to 9% and 1% respectively. New sales in Malaysia were mainly contributed by its projects in IOI Resort City in Putrajaya and township at Bandar Puteri Puchong. Looking forward, new sales prospect for FY25 is expected to be better as IOIPG targets to launch Marina View Residences in Singapore in FY25. Meanwhile, unbilled sales increased marginally to RM717m in 4QFY24 from RM688m in 3QFY24.

**Shenton 101 proposal not accepted**. On a separate note, IOIPG announced that it decided not to accept the offer to acquire the Shenton 101. Recall that IOIPG had on 25th June 2024 received a letter of proposal from Mr Lee Yeow Seng, who is the Group CEO and a substantial shareholder of IOIPG for the joint development of "Shenton House" in Singapore. The decision to not accept the proposal to acquire Shenton 101 is expected to be positive to IOIPG as balance sheet of IOIPG is not expected to be stretched. The total cost for the proposal (assuming acquisition of 100% stake) is sizeable at SGD1.01b which comprised of land cost of SGD538m and additional capital commitment of SGD476m which is expected to stretch balance sheet of IOIPG with current high net gearing of 0.7x. Meanwhile, IOIPG has entered into management agreements for appointment of IOIPG as the project manager with respect to the redevelopment of Shenton House as well as property manager for Shenton House.

**Maintain NEUTRAL with a revised TP of RM2.04.** We revise our earnings forecast for FY25F/26F by -34%/-25% as we factor in higher interest expenses from FY25 onwards. Note that interest expense for Central Boulevard will not be capitalised from FY25 onwards as the building is completed in July 2024. We also introduce our earnings forecast for FY27F. Meanwhile, we revise our **TP** for IOI Properties to **RM2.04** from RM2.25 as we widen RNAV discount to 60% from 56% in view of the weaker earnings. While new sales prospect for IOIPG is expected to be better due to launch of Marina View Residences in Singapore, earnings visibility in the near-term may be weaker. Hence, we maintain our **NEUTRAL** call on IOIPG.

## DISCLOSURES AND DISCLAIMER

This report has been prepared by MIDF AMANAH INVESTMENT BANK BERHAD (197501002077 (23878 – X)) for distribution to and use by its clients to the extent permitted by applicable law or regulation.

Readers should be fully aware that this report is for information purposes only. The opinions contained in this report are based on information obtained or derived from sources that MIDF Investment believes are reliable at the time of publication. All information, opinions and estimates contained in this report are subject to change at any time without notice. Any update to this report will be solely at the discretion of MIDF Investment.

MIDF Investment makes no representation or warranty, expressed or implied, as to the accuracy, completeness or reliability of the information contained therein and it should not be relied upon as such. MIDF Investment and its affiliates and related BNM and each of their respective directors, officers, employees, connected parties, associates and agents (collectively, "Representatives") shall not be liable for any direct, indirect or consequential loess, loss of profits and/or damages arising from the use or reliance by anyone upon this report and/or further communications given in relation to this report.

This report is not, and should not at any time be construed as, an offer, invitation or solicitation to buy or sell any securities, investments or financial instruments. The price or value of such securities, investments or financial instruments may rise or fall. Further, the analyses contained herein are based on numerous assumptions. This report does not take into account the specific investment objectives, the financial situation, risk profile and the particular needs of any person who may receive or read this report. You should therefore independently evaluate the information contained in this report and seek financial, legal and other advice regarding the appropriateness of any transaction in securities, investments or financial instruments mentioned or the strategies discussed or recommended in this report.

The Representatives may have interest in any of the securities, investments or financial instruments and may provide services or products to any company and affiliates of such BNM mentioned herein and may benefit from the information herein.

This document may not be reproduced, copied, distributed or republished in whole or in part in any form or for any purpose without MIDF Investment's prior written consent. This report is not directed or intended for distribution to or use by any person or entity where such distribution or use would be contrary to any applicable law or regulation in any jurisdiction concerning the person or entity.

#### MIDF AMANAH INVESTMENT BANK: GUIDE TO RECOMMENDATIONS

STOCK RECOMMENDATIONS	
BUY	Total return is expected to be >10% over the next 12 months.
TRADING BUY	Stock price is expected to <i>rise</i> by >10% within 3-months after a Trading Buy rating has been assigned due to positive newsflow.
NEUTRAL	Total return is expected to be between -10% and +10% over the next 12 months.
SELL	Total return is expected to be <-10% over the next 12 months.
TRADING SELL	Stock price is expected to <i>fall</i> by >10% within 3-months after a Trading Sell rating has been assigned due to negative newsflow.
SECTOR RECOMMENDATIONS	
POSITIVE	The sector is expected to outperform the overall market over the next 12 months.
NEUTRAL	The sector is to perform in line with the overall market over the next 12 months.
NEGATIVE	The sector is expected to underperform the overall market over the next 12 months.
